what is camp aldersgate?

"The Camp Aldersgate Experience" has many different layers, but one core value... community! Camp Aldersgate is an outdoor ministry site of the New England Conference of the United Methodist Church. For over sixty years, youth and adults have found a sacred space at Camp Aldersgate where they can unwind from the world and be renewed in their faith. Year round, Aldersgate is a place where people of all ages experience the peace and excitement of God's Creation. Come and find out why generations of campers call Aldersgate home!

summer staff & volunteers

Our staff is carefully screened and chosen from applicants from all over the world. We are committed to training our staff in all facets of camp life to ensure your child has a safe, fun and memorable camp experience. All volunteers and staff must submit to and pass a background check before being allowed to work with youth.
